It is highly important that these organs should properly perform their functions. When they don't, what lameness of the side and back, what yellowness of the skin, what constipation, bad taste in the mouth, sick headache, pimples and blotches, and loss of courage, tell the story.

The great alternative and tonic

Hood's Sarsaparilla

Gives these organs vigor and tone for a proper performance of their functions, and cures all their ordinary ailments. Take!

HIGH LICENSE IN TEXAS.

First Official Step to Increase Cost of Liquor.

REPUBLIC SPECIAL.

Dallas, Tex., Jan. 2.—The Dallas County Grand Jury today took the first official step for high license of the liquor traffic in Texas. It voted out, in its report to the criminal district court, that the license of all kinds, state and national, in Texas, should be increased from \$100 per year to \$500 per year.

Crime is increasing and prohibition is not doing much to curb it, the grand jury believes. It advocates a uniform state license of \$500 per year for either beer or liquor, or both, and strict police surveillance of saloons. The matter is to be discussed and sent before the next legislature.

Bankruptcy Proceedings.

John H. O'Connell, in a petition filed in the United States federal court yesterday, asks that he be adjudged bankrupt. He represents his liabilities as \$4,490.35 and his assets as \$450.

GREAT DESTITUTION EXISTS AMONG ALASKA'S NATIVES.

Inspector Witten Says White Man Has Destroyed Their Methods of Making a Living.

REPUBLIC SPECIAL.

Washington, Jan. 2.—A sad description of the destitution prevailing among the natives of Alaska, as a result of the invasion of the white man, is given by Special Inspector James W. Witten in the annual report of the Secretary of the Interior.

According to Mr. Witten the white man has not only killed off the game upon which the natives depended, but has taken from them their methods of making a living. Destitution prevails upon all sides and total extinction of some tribes is threatened. Mr. Witten urges that some of the money now spent on Indians in the States be spent on those in Alaska.

"The Indians in Southeastern Alaska are superior in points of intelligence and civilization to those of other sections of the district. Judge Wickham of the United States District Court, whose jurisdiction has extended over all the natives except those of the Southeastern Alaskan ports, says, in a letter addressed to me September 22, last:

"As a class, they are honest and have decided predisposition to respect and obey the law. I think they compare favorably with the white residents of Alaska in that respect. The Eskimos particularly are an honest, industrious and honest race of people."
